

## The Pluralists Portfolio Life MBA

**The Allies Statue, Lawrence Holofcener, 1995**

This statue of Churchill and Roosevelt on New Bond Street in London represents all the things The Pluralists Club aims to emulate. The Painter, Author, Soldier and Prime Minister Churchill leans together with the Lawyer, President and Man of Letters, Roosevelt. This symbolises the close relationship with the two which made possible the defeat of the Axis Powers in WW2. The Pluralists Club recognises that, by coming together, we can help each other to reach our full career and personal potential. We want to help you do just that.

# The Pluralists Portfolio Life MBA

*"I joined the Pluralists Club because I was at a crossroads in my post corporate career. The Club has given me considerable support in terms of organising my life with a more positive direction. I really value the friendly and empathetic community"*

D.M. - Member since 2016

More and more people are attracted to pursuing a portfolio career, many are finding that the benefits spread far beyond just work. A portfolio career is fast becoming a portfolio life and the benefits, when done well, are immense.

The change from a traditional, singular career path to that of a diverse portfolio is not always a smooth one. Similarly, the adjustments at home can sometimes be just as challenging. Many of the support services and networks associated with a traditional, single workplace role disappear along with your title and advantage once you bid farewell over leaving drinks. There is a marked transition to the "new world" of the portfolio or pluralist lifestyle.

## Questions you might be asking:

- How do I identify my skills and present them in the clearest way possible that is relevant to the fast-changing marketplace?
- How do I optimise my time in order to achieve my aims in the most effective manner?
- Where do I look for NED, advisory and freelance opportunities?
- Who do I go to for sage advice, research or just when it's "One of those days?"
- Where is my trusted network of advisors, mentors and peers?
- What happens when the phone, laptop or PC stops working?
- What about healthcare...and so on?

**The available support and answers were disparate and patchy at best...until now.**

The Pluralists Club exists to support, focus and achieve the desire to live a fulfilled, multifaceted, Pluralist life. We are thrilled to announce the launch the Pluralist Portfolio Life MBA to give those starting out on this new lifestyle the best chance of success.

## The MBA is in two parts

**Part1:** An initial 3 days of intensive immersion to the portfolio lifestyle, covering:

Personal brand and self-marketing

Personal values and relationships

Optimising financial resources

Time management

Understanding legal responsibilities

Presentation/negotiation skills

**Part2:** Thereafter follows a series of masterclasses over three months to help explore areas of opportunity and growth. It is as much about finding out what you don't want to do as much as what you do want to do. Opportunities covered include: understanding NED roles, Coaching, Angel Investing, Blogging, Public Speaking, Teaching and Consulting, to name but a few.

Once you join the Pluralists and embrace the lifestyle, regular events (both professional and social) are included. Co-working, peer-to-peer recommendation and sharing of opportunities are De Rigueur.

## Locations

Part 1 of the MBA is held at Baker Street Quarter.

Part 2 is held at LEO Events, 23 King Street, London SW1.

**This is more than membership and way-beyond networking. *This is Pluralism.***

## Frequently asked questions

**Q:** *What opportunities will there be to interact with the MBA Coaches?*

**A:** Not only will there be a Q&A at the end of each session - ensuring that you can get what you want, as well as what you need, from each class - there will also be plenty of opportunity across the three days to interact directly with the coaches. This allows you to pick their brains for any advice you think you might need on transitioning to a Plural Career.

**Q:** *I'm not sure I can commit to all of the Masterclasses after the Immersion Course, will I miss out?*

**A:** We recognise that many Pluralists have a very busy lifestyle, and that is why we run each Masterclass on three separate dates in any one year. So if you miss one, you'll be able to get to one of the others fairly soon. As well as this, we run a series of 'Masterclass Refreshers' regularly, so that you can update yourself even if you haven't been to a Masterclass in a while.

**Q:** *I want to cover something not included on the list of Masterclasses*

**A:** We love it when our members suggest ideas for new masterclasses, so just ask and we will do our best to find an industry leading coach to help you (and the rest of the club!) develop new avenues of interest.

**Q:** *What is The Pluralists Online World?*

**A:** All members have full access to The Pluralists Online World via their own login. There you can see everything we are doing, and also details of all other members of the Club. You can interact with all the other members within the Online World and put up notices and requests for help. We also post interesting opportunities and other useful news and views.

**Q:** *Will I get a chance to meet the other club members?*

**A:** As well as our well attended Masterclass events, we hold frequent socials which allow members of the Club to meet each other. In the past these have included everything from a trip up the Thames in a Rib, followed by dinner, to a tour of a gin distillery!

**Q:** *What if I don't like my Professional Headshot?*

**A:** The Photographer will give you three images to use. If you do not like any of these we can arrange for another photography session, for which we will make a small additional charge.

**Q:** *I'm not a Pluralist yet, why do I need a business card?*

**A:** Business cards are still a very important currency in the networking world, as soon as you start to build your Pluralist life let us know, and we will update your business cards and send you a new pack to use, for no extra charge.

**Q:** *When do you hold Masterclasses?*

**A:** We normally hold Masterclasses on a Friday between 11am and 3pm. Occasionally we run them from 2 until 5pm. You can find details on our website.

All activities and interactions are expected to be within this spirit in a welcoming, safe and trusted environment. We welcome all members who are, or wish to be, Pluralists and can contribute to the life of the Club.

While overt selling is discouraged, it is not uncommon for our members to uncover business opportunities from their fellow members, which may be pursued and discussed in an appropriate manner.

The Chatham House Rule applies to all member events.

3.1 The Club will provide the Specified Service to the Member subject to these terms.

3.2 The Club will make every effort to provide the Specified Service at the advertised times.

3.3 Where it proves necessary, the Club may at any time without notifying the Member make any changes to the Specified Service.

3.4 Any other changes or additions to the Specified Service will be notified to the Member in writing or by e-mail by the Club in advance of those changes taking place.

### 4. Contract Term and Payments

4.1 Membership of the Club is for an Initial Contract Term of 12 months from the date of signing the application form or confirming your application online. The membership fee (plus VAT) is payable either in its entirety in advance or by 12 Monthly Payments by direct debit, as set out in the literature provided with these terms. The Member will receive invoices in respect of these payments.

4.2 Following the expiry of the Initial Contract Term, membership and payments will continue for further periods of twelve months - the Renewal Term - until either party terminates in accordance with these Terms.

4.3 All charges quoted to the Member for the provision of the Specified Service are exclusive of VAT at the prevailing rate unless otherwise indicated.

5.2 The Club shall not be liable to the Member (unless fraudulent or negligent) for any loss of profit or any indirect, special or consequential loss, damage costs, expenses or other claims (whether caused by the negligence of the Club or its agents or otherwise) which arise out of or in connection with the provision of the Specified Service.

5.3 The Club shall not be liable to the Member or be deemed to be in breach of these Terms for any delay in performing, or any failure to perform, any of the Club's obligations in relation to the Specified Service, if the delay or failure is due to any cause beyond the Club's reasonable control.

The Member may terminate their membership by giving 1 month's written notice to the Club prior to the end of the Initial Contract Term and, in the case of Club membership, the Renewal Term.

6.3 Upon termination of this contract for whatever reason all sums owed by the Member to the Club are due and payable by the Member with immediate effect.

## 7. Membership - Initial Contract Term Guarantee

7.1 The Club wishes for members to receive a return on their investment many times over through full involvement in the Specified Services, however, the Member retains responsibility for making the very most of the many opportunities membership offers. If the Member does not make use of the services offered under membership during the Term, The Club accepts no liability and no refund will be offered.

7.2 During the first 12 weeks of the Initial Contract Term should a Member feel they have not received value for money, they may cancel their membership without further payment of membership fees and receive a full refund of all fees paid.

7.3 If a member has not cancelled their membership within the first 12 week period. The annual membership will be deemed agreed and no refund will be available.

## 8. Membership Renewal

**8.1 Your Membership will automatically be renewed at the appropriate charge if you do not cancel.**
